People who have exemption from paying Norwegian social contributions (A1) have to prove it to Norwegian Tax Office.

The exemption is issued by NAV (*Internationale saker*) based on form E101/A1.

If you are not sure about your situation, ask your employer!

It is responsibility of employer to send form E101 / A1 to NAV with the request for exemption from Norwegian social contributions if the contributions are deducted in your home country. If the form with exemption was sent to the Tax Office after paying Norwegian contributions – you'll get return.
