

## Tax settlements 2020 - PERSONS LIVING IN NORWAY WITH THEIR FAMILY IMPORTANT CHANGES!

This year, the Norwegian tax office has introduced changes and does not require sending documentation for deductions. On the other hand, **REMEMBER** to keep the documents in case of a possible control. The Office has the right to check the your tax declaration up to 5 years back! When sending tax return we rely on data from the form and other documents required for tax report (income documentation).

If you had a 25% tax card the so-called KILDESKATT (PAYE) in 2020, you will not be able to send your tax report. **IMPORTANT** – Check if it is beneficial for you to cancel kildeskatt and receive tax refund!

In settlements for 2020, there is no longer tax class 2 due to low/zero income of the spouse and there are no tax calculations with the 10% discount.

It is important to have MIN ID codes /possibility to log in with an SMS code, BANK ID or NETS application, not only to send a digital tax report but also to download a report about your earned income from the tax office's system. Single use Altinn codes are no longer sufficient to download an income report.

*The tax return will be published in several rounds from March 16.*

*Most informations you will read at our website [www.podatek.no](http://www.podatek.no) ...*
